# THE TEKOA DIFFERENCE

**Tekoa Missions** is a different type of mission trip. We bring over 65 years of camping ministry experience to this brand new mission opportunity. We have spent years in partnership with local agencies learning how to help youth have a great experience on a mission site. But the thing that sets us apart is the program that surrounds your mission trip.

Each evening, your youth will come back to a high energy and worshipful evening experience. Ride our zipline over the lake, climb our giant lake slide and drop into our spring-fed lake, and enjoy a party at our pool.

Youth groups will then experience meaningful worship that invites God to teach them about their missions experience. We focus on lives being changed through spiritual reflection in worship.

**To all the camp kids and camp counselors who help work on my porch and yard. It looks great! Thanks for all your hard work. -Cathy, Home Owner**

Join us for Tekoa Missions and make a lasting impact in the Foothills of NC! Projects will be designed with your group's needs in mind.

Tekoa Foothills is nestled in the foothills of NC. Only an hour from North Carolina's largest city, Charlotte, this region has a large poverty rate and a great need for assistance. While serving with us, you will help those who struggle to maintain their home and assist residents in making their home safe to live in. Many of our projects focus on repairs that enable homeowners to stay in their home and assist them with mobility.

### QUESTIONS?
